## Newsletter

---

VOLUME 6, No. 4

DECEMBER 1974

---

- NEXT MEETING -

Our December meeting - on the 10th - will feature Bill Botwinik, Executive Director of the Nassau County Environmental Management Council. He will speak on Environmental Progress in Nassau County. (The October 1974 issue of ECOS contains a full synopsis of the Nassau County Environmental Plan Report. Editor).

An additional attraction at our December meeting - Coffee and - will be served. And we hope this will feature all of our meetings in the future.

-----

There will be no Board Meeting in December.

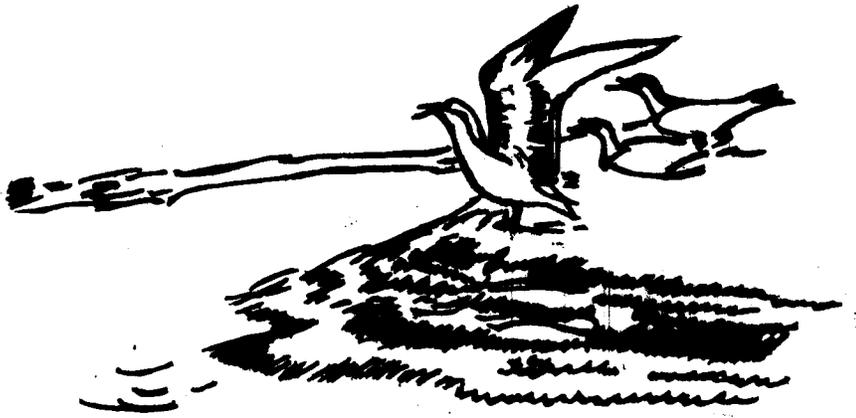

-----

As we said in our November Newsletter, this December Newsletter will be only one page. However, there are one or two coming events which should be mentioned.

First, the next Audubon Film at the Town Hall will be December 3rd. The film will be Queen of the Cascades.

Also - and please note - we will have another Arts and Crafts show in the spring. It will be sometime in the late spring, as last year. At the moment, no further specifics, but keep in mind and perhaps start planning your entries.
